FRENCH-VINTAGE HAND-WOVEN HATS

Collection Catalogue 2026

Spring–Summer straw · Autumn–Winter berets

THE MAISON

The same hands, the same atelier — now making for the world.

HatChat is a designer-led atelier with ten years of one craft: the hand-woven natural-fibre hat. Raffia, abaca, seagrass and fine straw braid for high summer; linen, paper-yarn and wool for the cool season.

Every silhouette is original. Every fibre is traceable. Every hat is blocked, trimmed and finished in our own workshop.
